THANK YOU

Modern Woodmen offers more than financial services. Our representatives and members have a passion for giving back. That passion has been with us since Modern Woodmen was founded in 1883.

Each year, our members spend about 400,000 hours volunteering for hometown causes. And together, we provide approximately \$20 million each year for fraternal programs – which include local activities, benefits and programs for members and their communities.

That's a major impact. And that's the Modern Woodmen way.
